2 Viimne tants

```
Save The Last Dance For Me by The Drifters
G
Nõustu siis kui see mees tuleb taas
                        D
ja tantsima ta veelkord palub sind.
          Am            D
Kui sul on soov ja kui ta meeldib Sul,
                           G
kingi naeratus tal, see ei häiri mind.

           C
Kuid ainult see, kes koju sind viib
              G
Su kaela ümber köidab käed.
     D             D7          G
Just selleks viimne tants mulle jääb.

G
Võlub Sind kaunis muusika ja veiniklaas,
        D
neid Sa naudid siin.
      Am          D
Jälgi vaid kui Sa tantsima läed,
                      G           G7
et ei keegi teine Su südant viiks.

           C
Sest ainult see, kes koju sind viib
              G
Su kaela ümber köidab käed.
     D             D7          G
Just selleks viimne tants mulle jääb

                D
Armukadedust ei tunne ma
                  G
kuigi teiste seas Sind vaid näen.
                   D
Ma jään oma tantsu ootama,
                      G
tean, et viimne tants mulle jääb

G
Kui sul soov tantsi veel, peagi lõpeb tants,
                          D
tuled kustuvad ja vaibub muusika.
```

```
         Am                  D
Kuid kui keegi peaks Sinult küsima,
                                    G
kas võib Sind saata koju siis pead keelduma.

G           C
Sest ainult see, kes koju sind viib
               G
Su kaela ümber köidab käed.
     D              D7          G
Just selleks viimne tants mulle jääb.
G           C
Sest ainult see, kes koju sind viib
               G
Su kaela ümber köidab käed.
     D              D7          G
Just selleks viimne tants mulle jääb.
G7       D              D7          G
Mmmm, mu kallis, viimne tants mulle jääb.

Verse 1]
                A
        You can dance every dance with the guy who gives you the eye
                E
        Let him hold you tight.
                  E
        You can smile every smile for the man who held your hand
                   A                A7
        &#039;Neath the pale moonlight.

[Chorus]
                   D
        But Don&#039;t forget who&#039;s taking you home
                                 A
        And in whose arms you&#039;re gonna be.
           E                   E7            A
        So darling, save the last dance for me.

[Verse 2]
             A
        Oh I know that the music is fine like sparkling wine
               E
        Go and have your fun.
                  E
        Laugh and sing but while we&#039;re apart
                                 A        A7
        Don&#039;t give your heart to anyone.
```

[Chorus]

```
                D
        But Don&#039;t forget who&#039;s taking you home
                               A
        And in whose arms you&#039;re gonna be.
           E                   E7            A
        So darling, save the last dance for me.
```

[Bridge]

```
        A                      E
        Baby don&#039;t you know I love you so
                                A
        Can&#039;t you feel it when we touch.
                           E
        I will never never let you go
                               A
        &#039;Cause I love you oh so much.
```

[Verse 3]

```
                 A
        You can dance, go and carry on
                                          E
        Till the night is gone and it&#039;s time to go.
              E
        If he asks if you&#039;re all alone can he take you home
                 A             A7
        You must tell him no.
```

[Chorus]

```
                 D
        But Don&#039;t forget who&#039;s taking you home
                               A
        And in whose arms you&#039;re gonna be.
           E                   E7            A   A7
        So darling, save the last dance for me.
```

[Chorus]

```
                 D
        But Don&#039;t forget who&#039;s taking you home
                               A
        And in whose arms you&#039;re gonna be.
           E                   E7            A
        So darling, save the last dance for me.

4 Vihm koos päikesega (Have you ever seen the rain)

J. Fogerty, eestikeelsed sõnad M. Nõmmik

```
C
Keegi ütles mulle kord: “Enne vaikus, siis ka torm”.
   G               C
Ma tean, õhus tunda tormi on.
C
Siis kui vaikus läbi saab, Raske vihm siis kastab maad.
   G                       C     C7
Ma tean, koos päiksega võib sadada.

F            G            C            Am   F
Kuid, kas sa tead, kuidas vihmaga näib maa?
F      G            C            Am  F
Kas sa tead, kuidas vihmaga näib maa?
      G               C  C7
Sajab vihm koos päiksega.
F            G            C            Am   F

Kas sa tead, kuidas vihmaga näib maa?
      G               C  G7
Sajab vihm koos päiksega.

C
Eile veel ja varemgi, sadu lakkamatu siin.
   G                       C
Ma tean, on see olnud nii kogu aeg.
C
Lõputuna tormi käes, otsast peale iga päev.
   G                       C     C7
Ma tean, koos päiksega võib sadada.

F            G            C            Am   F
Kuid, kas sa tead, kuidas vihmaga näib maa?
F      G            C            Am  F
Kas sa tead, kuidas vihmaga näib maa?
      G               C  C7
Sajab vihm koos päiksega.
